SAINT VINCENT DE PAUL SOCIETY

Would you like to help less fortunate members of our local parish community? Do you have 30 minutes to an hour a day to spare? If so, St. Vincent de Paul has a volunteer opportunity for you and you can do it from the comfort of your own home.

Jesus said, "whatever you do for the least of these, you do for me."

For more information leave a message on our helpline: [770-381-7488](tel:770-381-7488) ext:251 and we will return your call.

"His Mercy Endures Forever"

As we celebrate our trust in God's mercy for us today, we have many reasons to be thankful for our faith and parish. One way to show your thanks for all the parish has done for you is to make a gift to the parish endowment fund. A gift to this fund ensures that the parish can fulfill its mission forever. To learn more, please go to cfgna.org or contact Julie Greco at the Catholic Foundation jgreco@cfnga.org or call Julie at 404-497-9440.

DIVINE MERCY SUNDAY

Parish families who wish to have a child baptized should be registered in the parish before taking the class.

Both parents must attend the Baptism class which is usually held the second Sunday of each month at noon in *Our Lady of Fatima* room. Please make arrangements for a babysitter as we do not provide babysitting services.

Please pre-register for the class with the Parish Office at 770-381-7488 during normal business hours or email secretary@sstmcc.org

(to ensure that the class will be held on a particular date).

Parents will need to select God-parents for their children who are active, practicing Catholics. Baptisms are scheduled only AFTER you have taken the class. Parents must be active, practicing members of St. Stephen the Martyr for at least three months before scheduling a baptism.

Solar Eclipse April 8th, 2024 Safety

Here in Lilburn, there will be a **partial eclipse** with about 85% of the sun covered

DO

Use eclipse glasses or solar viewers that meet the ISO 12312-2 standards. Do not stare continuously at the sun. Take breaks and give your eyes a rest, or use a box pinhole viewer, or pinhole projector.

DON'T

Do not look at the sun directly. Do not view through regular sunglasses (no matter how dark they are, they will not protect your eyes). Do not view through your camera viewfinder. Do not view through a telescope or binoculars.

Don't watch the eclipse while driving, and don't stop on the interstate or highway shoulder.
